

Show here as an in-store portal, the Stargate can be used to direct people through your space, or just to enhance a dull, boring space.

As an on-stage entryway, the Stargate made a lasting impression for this Nissan / 100 Black Men Awards Ceremony.

The Stargate transports guests from the cocktail hour to the party. Bathed in light, this beautiful tunnel will amaze your visitors while you direct their movement.

Use Pink Inc.'s Stargate as an entryway to your event or as a passageway between two spaces creating mystery and drama with lighting design and projection.
