

Pink Inc.'s Tornadoes can be rigged or placed on pipe and base. Combining Tornadoes with creative lighting effects provides additional drama and ambience.

Pink Inc.'s funnel-shaped Tornado forms are easy to use and create memorable events—an ideal, cost-effective and green design choice.

The height of the Tornado helps show off a tall space, serving to lower the ceiling or creatively break up a room. Available as part of our Streamline Rental Program, this is one of our most popular rental structures.

Like champagne flutes, the 6' Tornadoes add elegance to any event. Contrasting the old world Waldorf Astoria with sleek, modern fabric structures created a dynamite look for a gala fundraiser for Juvenile Diabetes.
