

SEA DIVA

All Sea Diva costumes are pre-piped with plastic. Rentals available in a variety of blues and greens. Please call for availability.

Height of costumes is variable and depends on performer's height: 5' -5" to 5' -10". The recommended height for a Sea Diva performer is 5' -5" or taller.

Performances are typically in 30 minute increments with a 30 minute break.

On occasion, depending on length of overall performance with advanced discussion, increments and breaks may be negotiated.

Under NO circumstances for fully covered costumes will performers act for more than 45 minutes.

Note on movement: Movement should be elegant, undulating, organic, and fluid. Motions should travel in curved paths, never in straight lines. Try to vary speeds and heights. Practice a variety of motions and poses.
